Sam - Hope you and your family had a great Christmas and New Year, as well as some well deserved time off. Attached is a draft agenda for your consideration for our meeting on the 16th in Dallas. If you have any thoughts, please give me a ring or send me an e-mail. I believe our project manager has forwarded a copy to Gary Miller also.

I was asked last week to attend a meeting with Dan Eden and Alan Batcheller of TCEQ to provide them an update on activities at the site. In addition to the activities, we briefly discussed our upcoming meeting with you. Dan reiterated that any decisions on future plans for the site were obviously in EPA's court, which we of course know.

Give me a call if you need anything from me (i.e., the group.)

Take care,

*Steve Kilpatrick*
